## Atatürk Faculty of Education

### Marmara University Atatürk Faculty of Education

#### The Department of German Language Teaching

The curriculum of the German Language Teaching Department is designed to help students acquire theoretical and practical knowledge relevant to foreign language teaching and gain critical thinking skills during the four-year undergraduate programme. Along with the undergraduate programme, Master's and doctoral programmes are also available. Our Department has also double major and minor programmes.

#### Education

The curriculum of the GLT Department has courses which cover field knowledge, general culture and pedagogical knowledge. The duration of education in the Department is four years and the courses in the programme are instructed both at theoretical and practical levels and dimensions. Apart from the undergraduate programme, related MA (2 years) and doctoral programmes (4 years) have been organised and directed by the Institute of Educational Sciences.

#### Facilities

The main campus of Atatürk Education Faculty is situated in a central location on the Anatolian side of Istanbul, one of the most important metropolitan cities in the world. Thus, compared to the students of other universities of Turkey, our students have the great advantage of getting much easier Access to all kinds of social, cultural, educational and sporting activities. These opportunities enhance our students' cognitive, affective and psychomotor development. Our students can attend several universities (For example University Hamburg, Köln, Bielefeld and Heidelberg) in Germany at the undergraduate and graduate levels because of the agreements that our university has with the ERASMUS programme. Besides, our students can attend double-major or minor programmes at our university.

#### Employment Prospects

Our graduates can work as German teachers in preschools, primary schools and upper-secondary schools (high schools). Besides, they can also work as staff in private corporations, tourism firms and simultaneous translation offices.
