

MARMARA
ÜNİVERSİTESİ

Atatürk Faculty of Education

Marmara University Atatürk Faculty of Education

Department of Teaching Music

The Department offers a four-year-long undergraduate program that aims to produce music educators for primary&secondary education institutions. Prospective students who are to be accepted to the program are chosen via the Special Skills Exam which evaluates the level. The program consists of individual and group playing/singing activities. In the program, the piano and singing are the two compulsory subjects and violin, viola, contrbass, transverse flüte, clarinet, guitar and bağlama are among the elective. Among the elective school instruments are as follows; accordeon, percussion, recorder, orff, guitar, bağlama, kanun, oud, ney and mey. The program doesn't only offer theoretical courses in the field but also include studies and experiments in musical creativity. Besides these courses, the program contributes to music education with seminars, panels, conferences, practical applications, concerts of instructors and students in addition to out-of-department concerts there are also national and international activities that our department takes part.

Education

The Department's undergraduate program consists of Professional courses and courses related to general cultural subjects and pedagogic formation. The program is

four years in duration and it addresses both theoretical and practical aspects of teaching. In addition to the undergraduate program, master's and Ph.D. programs are offered by the Institute of Educational Sciences.

Facilities

The Students of this Department are able to use various facilities in order to practice their applied skills. They have Access to an Orff and rhythm workshop, a multi-purpose hall, studyrooms, a computer laboratory which contains a CD and musical notes archive and total of 38 pianos two of which are grand pianos. Furthermore, the Department is involved in various cooperative activities with foreign universities as part of the Erasmus Programme.

Employment Prospects

The graduates of the department are able to work as music teachers at state and private elementary and secondary schools/tertiary institutions.
