By different types of social and cultural activities, with the magazines publishing by students and with the social clubs founded by students, their self-improvements are supported.

Education

The undergraduate program consist of courses focusing on content knowledge, world knowledge and pedagogic training. The program lasts for 4 years and combines theoretical knowledge with the practical knowledge. Also, the Educational Sciences Institute includes master and Phd programs.

Facilities

The campus of Atatürk Education Faculty is located in Göztepe which is a central place in the Anatolian side of İstanbul, one of the most important metropolitan cities of the world. Thus, compared to students of other universities in Turkey, our students have the great advantage of getting

much easier access to all kinds of social, cultural, educational and sport activities. These opportunities enhance our students' cognitive, affective and psycho-motor development. The students who have required qualifications can participate to a double-major program.

Employment Facilities

Graduates of this program can work as Turkish language teachers in both state and private secondary schools, they can give lectures on techniques of speed reading, Turkish dialects, History of Turkish literature, literary texts, folklore; they can be scholars in research centers or editors in journals, newspapers or publishing firms. They can also work as Turkish language teacher for foreigners in state schools or private schools.
