

MARMARA
ÜNİVERSİTESİ

Atatürk Faculty of Education

Marmara University Atatürk Faculty of Education

Department of Special Education Teacher Education

Mentally Handicapped Teacher Education Department gave first degrees in 2005-2006 education year. Since 2016, Mentally Handicapped Teacher Education Department has been continuing its activities as "Special Education Teacher Training".

Education

The main aim of the undergraduate program of Mentally Handicapped Teacher Education Program is; to educate qualified special education teachers who have the necessary theoretical-practical knowledge and skills in the field of special education, who can individualize the education programs and practices on the basis of the needs of the children with inadequacy, provide the necessary educational support to the inadequate individuals and their families, develop critical thinking, problem-solving skills, investigate, inquire, learn life-long, and is connected to universal ethical principles. The education is 4 years and the courses are theoretically and practically. In addition, master's program is carried out within the Institute of Educational Sciences.

Facilities

The Atatürk Education Faculty is located in Göztepe campus in the center of Istanbul, Anatolian side, one of the most important metropolis of the world. In this respect, our students have a great advantage using the social, cultural, educational and sports facilities that are not accessible to the students of other universities in Turkey. Students who fulfill the necessary conditions can benefit from double major and minor programs.

Working Areas

Field graduates; special education schools and special education sub-classes and Guidance

Research Centers. In addition, our graduates can work as teachers in private sector units such as special education schools, rehabilitation centers and counseling centers.
