

Zeynep YÜCESOY ÖZKAN

Address: Marmara University Environmental Engineering
Department, MB 647

Goztepe, 34722, Istanbul, Turkey

Faks : +90 216 348 13 69

Phone : +90 (0216) 348 02 92

e-mail : zeynep.yucesoy@marmara.edu.tr

Education

B.Sc : Environmental Engineering, Akdeniz University, Antalya, 2008

M.Sc : Environmental Engineering, Harran University, Şanlıurfa, 2011

PHD : Environmental Engineering, Marmara University, 2013-

B.Sc Thesis

“Occupational health and safety in wastewater treatment plants, with the example of an emergency action plan” Akdeniz University, Advisor: Assoc. Prof. Dr. Altunay PERENDECİ

M.Sc Thesis

“Biotreatment of copper & zinc containing acid mine drainage water in anaerobic baffled reactor (ABR) and metal recovery” Harran University Graduate School of Natural and Applied Sciences Department of Environmental Engineering, Supervisor: Assoc. Prof. Dr. Erkan ŞAHİNKAYA, 2011.

Professional Experience

Research Asistant Bitlis Eren University, Bitlis, Turkey, 2011

Research Asistant Marmara University, Istanbul, Turkey, 2013
