

SEMINAR ANNOUNCEMENT
MARMARA UNIVERSITY
ENVIRONMENTAL ENGINEERING DEPARTMENT

BIOLOGICAL WASTEWATER TREATMENT

Büşra Kunt

Low frequency ultrasound applications in biological wastewater treatment

Ekin Uzunhasanoğlu

Use of microalgae in wastewater treatment

Senem Aydın

Application of novel nitrogen removal technologies in biological wastewater treatment

Sevil Coşgun

Effects of trace elements on biological wastewater treatment

Marmara University, Environmental Engineering Department

Thursday, May 07, 2015 • 15:30-17:00

Engineering Building - B, Conference Room #MB144
