

Unfortunately, Marmara University does not offer any financial support to foreign students, however, there are ways to be supported during your education:

1. The Scientific and Technological Research Council of Turkey (TÜBİTAK) grants scholarships for international students seeking to pursue a graduate degree in Turkey. (<http://www.tubitak.gov.tr/en/scholarship/undergraduatesgraduates/international-programmes/content-2215-graduate-scholarship-programme-for-international-students>)

2. Türkiye Scholarships Postgraduate Programmes are full government funded programmes for successful international students from all over the world for postgraduate studies in Turkey. (<http://www.turkiyeburslari.gov.tr/>)

3. After you join a university in Turkey perhaps after 1 or 2 semesters, you may be offered a “researcher” position in a TÜBİTAK project (many professors have such projects). Supports vary between 900 and 1500 Turkish liras.
