### **ABOUT THE AARCF**

AARCF representing about 700 academicians on accounting and finance was established on October 1995 with the aim of achieving social and scientific collaboration among the accounting academicians. It has a quarterly journal, ***The World of Accounting Science***. It is organising an annual ***International Accounting Conference*** and **workshops** for members and professionals on new topics and developments. In 2006 our foundation was the associate partner in the 10th Congress of Accounting Educators which took place in Istanbul, and organised the 3rd International Accounting Conference in cooperation with IAAER.
